¹ Trips are counted as one person picked up and carried to a drop-off location. It is not the number of times the bus starts and stops. Example: Three people going from 131 W. Main and one person going from 133 W. Main to Waterloo swimming pool is counted as 4 trips.

² Trips made from July 2006 through June 2007 with pickup location in MPO Study area and valid matchable addresses. Excludes group trips with generic coding.

A block group is categorized as a high minority group if:

- The Hispanic population is 15 percent or higher, or
- The Black population is 15 percent or higher, or
- The American Indian and Alaska Native population is 5 percent or higher, or
- The Asian/Pacific Islander population is 5 percent or higher,

A block group is categorized as a low-income tract if:

- The proportion of the resident population with a household income at or below the poverty level is 25 percent or higher according to the 2000 US Census
