

Notice of Amendment

Request for Proposal (RFP) for Project Prioritization Improvements

Please take note that an amendment to the Project Prioritization Improvements Request for Proposal has been published on the Grayson County Purchasing website and the Sherman Denison MPO website. This amendment contains the following changes:

Update to the submission requirement of original signature. Due to COVID-19 working from home and quarantine requirements vendors may be required to take, the request for one (1) original document and five (5) copies has been updated. Original copy signature is not required to be submitted. However, the submitted signature will be binding.
